

# Grasshopper Homework Menu

Try to choose at least 4 homework tasks to complete throughout the autumn term.

Help to plan and prepare a healthy, balanced meal.

Consider which foods you will chose to include from each food group.

The floors of Roman buildings were often richly decorated with mosaics.

Design and create your own mosaic using materials you can find around the house.

Romans soldiers used shields for protection.

Design and make your own Roman shield.

Make a **water cycle** in a bag.

Draw the sun and a cloud on a bag. Add some water and stick it to the inside of a sunny window.

Watch as the water evaporates and condenses inside the bag!

**Ideally Everyday**

**Reading**

**As Often As Possible**

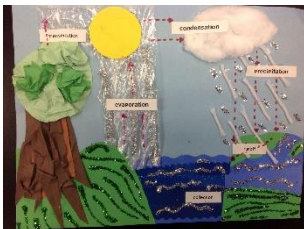

**Times Table Rock Stars**  
(login details in homework book)

**Rainbow Spellings**  
(allocated on Seesaw)

**Number Kit**  
(these will be set in homework books soon)

Make an e-safety poster about ways in which you can stay safe when online or using technology.

Make a 3D poster representing the four stages of the water cycle.

Condensation  
Evaporation  
Precipitation  
Collection

Write a **set of instructions** telling a friend how to make a Roman shield or mosaic.

The Romans used a system of symbols for numbers called **Roman Numerals**.

Can you find any of these symbols in your house?

Research the symbols for numbers 1-20 and come up with number sentences using these symbols.  
Challenge a family member or friend to work out the answer to each number sentence.
