

PRESTON BULLETIN

'Living Life to the Full'

Friday 19 January 2024

Dear Parents/Carers,

It has been a very cold week! Thank you for sending the children in wrapped up warm with hats, scarves and gloves! Regardless of the chilly conditions, the children have enjoyed playing outside, and the frozen ground has made it possible to use the field at playtimes and lunchtimes without anybody getting too muddy.

The children have now had time to really immerse themselves in their new projects for the term ahead. It has been wonderful to see so much variety in their learning, both through visiting the classrooms, and from children bringing good work to share with me.

Both bulletins are rather packed this week! There is lots of information about upcoming events and we have started to publicise some diary dates for the weeks ahead. Please make a note of any dates that apply to your child.

We wish you all a restful weekend.

Yours sincerely,

As we start 2024, please continue to show consideration for our neighbours, pedestrians and other road users when driving in the vicinity of the school.

Please park safely and legally without causing obstruction to driveways of neighbouring properties. The Highway Code states that you must not park opposite or within 10 metres of a junction. This is to allow drivers emerging from, or turning into, the junction a clear view of the road they are joining. It also allows them to see hazards such as pedestrians or cyclists at the junction.

***A Message for Safer Internet Day, 2024, from Norfolk Constabulary's
Children and Young People Team.***

Dear Parents and Carers,

February 6th, 2024, marks this year's Safer Internet Day. We can all play a part in keeping children and young people safe online and I am writing to tell you that online safety remains one of the Constabulary's main priorities. With this in mind, we would like to share some links and resources with you.

- Organisers of Safer Internet Day, The Safer Internet Centre, have a wealth of information for parents and carers on their website on the "Guides and Resources" section. Go to www.saferinternet.org.uk
- Setting boundaries and rules about your child's internet use as early as possible will help you to have open and honest conversations about any issues that arise. Please find below both a colour and black and white copy of Norfolk Constabulary's '**Family Internet Agreement**' to help you do this.
- Head to YouTube where you will find a recording of the webinar we delivered on Safer Internet Day, 2023, [Recorded Online Safety webinar for parents and carers \(youtube.com\)](https://www.youtube.com/watch?v=...)
- Follow National Online Safety on Twitter - @natononlinesafety; Instagram - @nationalonlinesafety; or search "National Online Safety" on Facebook. You can also download the "National Online Safety" app in the Play Store, or on Google Play. Here you will find information about games, websites and apps young people are using so you can make sure your knowledge is up to date.
- The National Crime Agency's Child Exploitation and Online Protection (CEOP) Education team have a parent and carer area on their website where you can get advice about online safety [Parents and carers | CEOP Education \(thinkuknow.co.uk\)](https://www.thinkuknow.co.uk/parents/) If you are worried that your child is being groomed online, or sexually exploited, you can find advice about reporting by clicking on the 'How to get help' tab.
- The Internet Watch Foundation and the NSPCC have developed the 'Report Remove' tool, in partnership with age verification app, **Yoti**. Report Remove can support a young person in reporting sexual images or videos shared online and enables them to get the image removed if it is illegal. Go to [Report Remove \(iwf.org.uk\)](https://www.iwf.org.uk/report-remove)

YEAR 5 PLAYLEADER TRAINING

Year 5 Sports Leaders from both schools have been at UEA Sportspark with Mr Walker and Mrs Newson for a day of training. It was great to learn so many new games and to get to work with children from other Norfolk schools. We look forward to bringing our new skills back to school!

DRAGONFLY PENPALS

Dragonfly Class have been writing to the children of Xe'ólacw Community School, in Mount Currie, British Columbia, Canada.

Whilst we have been dealing with the cold weather in Tasburgh, spare a thought for our penpals where the temperature is currently -27°C !

The children and their teacher, Mrs Sammut, sent us a message to show us the view from their classroom. They also shared a photo of their class making pizza as a reward for earning 300 Class Points.

LADYBIRD CLASS NEWS

Reception children have enjoyed their first few PE lessons with Miss Walker. They have played games called sharks, coloured corners and a hoop game.

LADYBIRD CLASS NEWS

Ladybirds have really enjoyed starting our new text in English 'A first book of Dinosaurs' by Simon Mole. We have found lots of interesting facts through dinosaur poems and this week the children wrote their own 'fascinating fact cards'. Some facts we found out were a T-Rex was as long as 5 lions, a Giganotosaurus' head was as big as a human and a Brachiosaurus weighed the same as 10,000 cats! In our busy time, the children have been making their own dinosaur collages and becoming palaeontologists and digging for dinosaur bones.
