*'Living Life to the Full'*

Friday 15 March 2024

Dear Parents/Carers,

This week, many of the children will have been undertaking assessments, as we are just over the midway point of this academic year.

In addition to this, there have been a large number of Science-based activities taking place across the Federation to tie in with British Science Week.

Alongside this, children from both schools have visited Norwich Cathedral on Wednesday to participate in some fantastic workshops and a wonderful concert on the theme of 'Spring Celebration.' The children conducted themselves brilliantly: they participated enthusiastically within their workshops and they sang with gusto! We were very proud of their achievements! Many thanks to the staff who made this possible, and to parents/carers for supporting within the audience! The livestream is available here:
