PRESTON BULLETIN

'Living Life to the Full'

Friday 20th March 2026

Dear Parents/Carers,

Thank you to everyone who attended our Parent–Teacher Meetings this week. It was fantastic to be able to share information with you about your child's learning and progress. As always, your support and partnership are greatly appreciated.

You will have received a letter to update you about our move to Compass. All school meal orders for the week commencing **Tuesday 14th April** must be placed via our **new Compass App**. You will need to order lunches **during the week commencing Monday 23rd March 2026**.

Meal-ordering window closing times:

- **Preston Primary:** Friday 27th March 2026 at **2:00pm**
- **Saxlingham Primary:** Monday 13th April 2026 at **7:00am**

To order meals, please navigate to the **Canteen** section of the Compass App.

Important: From next week, please ensure that you only order meals in **Compass**. Do **not** submit a duplicate order in **Pupil Asset**, as this will result in you being **charged twice**.

Next week will be busy and exciting! On Tuesday, **Kingfisher Class** will be joining **Year 3 and Year 4 at Preston** for a **Road Safety Workshop**. Also on Tuesday, Year 6 will be visiting **Long Stratton High School** to watch the school production of ***Shrek Junior The Musical***. From **Wednesday to Friday**, **Year 5 and Year 6** will be attending their **Bawdsey Residential**. We hope they have an enjoyable and memorable experience.

If you have any questions regarding any of the above information, please get in touch.

Yours sincerely,

Matt Walker
Executive Headteacher

SESSION INFORMATION

Wednesday 15th April 2026

1.30pm - 2.45pm

Saxlingham Nethergate CEVC School
Church Hill
NR15 ITD

BRITISH SCIENCE WEEK

9th March-13th March

On Wednesday 11th, all of the children took part in a hands on science activity based on the theme of 'Curiosity'. The children were in mixed age groups and it was great to see the older children supporting the younger children to investigate the answers to some big questions!

Mel Swift, STEM ambassador, also visited to do some work with Swifts and Swallows. They learnt about how electiricy is connected to homes across the country and consolidated their learning by building their own Lego models.

Which material makes the best hanky?

How do boats float?

Does toast always land butter side down?

Which paper airplane flies the furthest?

How do birds build their nests?

diary
