Dear Parents and Carers,

I am writing further to the recent consultation regarding the proposal to change the name of **Preston Church of England Voluntary Controlled Primary School** to **Tasburgh Church of England Voluntary Controlled Primary School**.

I am also pleased to confirm that we received a **very positive response to the consultation**. Feedback showed strong support for the proposed name, reflecting the school's location, identity and wider community links.

As a result of this positive response, we will now move forward with plans to **officially change the school's name from September 2026**. Further information regarding the practical arrangements for this change will be shared in due course.

Yours sincerely,

Diane Perry-Yates
