## INTRODUCTION

Safeguarding and Child Protection is a crucial part of our work at Tas Valley Federation. We ask everybody who works with our students to follow the guidelines set out in this pamphlet. Whether you are a teacher, member of support staff, visitor or volunteer, we ask that you adhere to our policies and procedures whilst you are at our school.

### Keeping Students Safe

Only adults who have been correctly vetted will have unsupervised access to students. All adults who work regularly with our young people must undertake an Enhanced Disclosure and Barring Service check, which must be completed before commencing working with our young people.

Adults visiting the site for meetings must sign in and out at the School Office. Any unidentified adult within the schools should be reported immediately.

## SAFEGUARDING

---

### First Aid

If you encounter a child with any medical concerns, or who seems ill, they should be referred to the School Office where a qualified first aider can assess them.

### Health and Safety

The school is regularly audited to ensure that facilities are safe for young people. However, you have a responsibility to ensure that your actions do not endanger students in our school. Please ensure that you follow all instructions whilst on the school site. Do not operate machinery for which you are not trained.

### Educational visits

The School operates under the Norfolk County Council Health and Welfare system for approving educational visits. Full details can be obtained from the school office.

This list is not exhaustive — please report anything that gives you cause for concern.

## What if the child wants to tell me something?

If a child begins to tell you about something that is happening to them, you should:

- Tell them that you want to make sure they are safe;
  - Tell them that you will have to pass on what they tell you to help keep them safe;
  - Listen carefully and try not to ask any
- 

leading questions;

- See a Designated Safeguarding Lead immediately. Staff members should complete an online form using CPOMS.

To make a disclosure, or complete a record of a behaviour incident or contact with parents or professionals, please go to:

or
