

Dear parents and carers,

Welcome back to a new term in Ladybird Class!

I hope you all had a wonderful Easter break and managed to enjoy some of the nice weather that we had.

This half term we will be looking at '**Under and Over (Ground)**', please see the knowledge organiser that your child should have taken home for more detailed information.

School reminders:

A water bottle - Every child is encouraged to bring their own named water bottle to school so that they can help themselves to a drink when necessary. Please note that this must only contain water.

Appropriate clothing - Please make sure your child has weather appropriate clothing in school each day. Also, please make sure that all items of clothing are named.

Reading record, Phonics books and Library book - Your child should have their reading record book, two phonics books and a library book at home. Please try and read the phonics books every evening for 5-10 minutes and write comments in their book detailing the page that you have read to, any comments your child made and how they read. The children need to read each book at least twice before they are changed. If you're aware your child needs to change their book, please remind them to hand in their books and reading diary first thing in the morning.

Library books must be returned on Fridays.

Homework - To reinforce and enhance their learning, the children will be asked to complete the following homework tasks:

- Daily reading
- Rainbow Spellings (sent out on Fridays)
- Active Learn: Interactive Maths Games (regularly added throughout the half term)
- Knowledge organiser facts and vocabulary
- Reading challenges (stuck inside your child's reading record)

Wow Moments Please continue to use the Ladybird email address to forward your child's photographs or videos from home! The children love sharing these with their friends in class.

PE - Your child's PE lessons are on **Wednesdays** and **Thursdays**. Please continue to send your child into school in their PE kit on these days.

If you have any questions or queries, then please contact me via the school office.

Many thanks,
Miss Nicolson
